*A team may score no more than five runs in one inning, with the following exception: If a batter makes a hit which will result in more than 5 runs being scored in one inning, the inning will end when that batter can not advance any further.

*Game length = Six innings. Time limit will be one and one-half hours. Any inning started must be completed unless the home team is ahead. No new inning may be started after 1 hour 25 minutes have past.

*All players (not just the nine who are in the game defensively) shall bat every rotation in the order of their line up. All players shall field at least two of the first four innings defensively per game.
